

# Angel Day Nursery Vision and Values

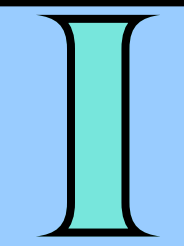

## **Confident**

At Angel Day Nursery, we provide children with encouragement, care, and attention to foster a sense of achievement, helping them gain **confidence** in their abilities. As they develop, they become **confident** learners and self-assured individuals.

## **Happy**

Angel Day Nursery offers a safe, nurturing environment for children to learn through imaginative play both indoors and outdoors. It fosters curiosity and positive relationships, helping children reach their full potential and promoting **happiness**.

## **Independent**

Confident and happy children at Angel Day Nursery develop **independence** skills early. We provide opportunities for **independent** play, self-care, and curiosity, helping them learn about the world and empowering them for a smooth transition to school at the end of their nursery journey.

## **Resilient**

We promote **resilience** in children by fostering independence, confidence, and happiness. With support from trusted adults, we encourage them to face challenges, take risks, and develop problem-solving skills. We encourage them to be strong and capable allowing them to step out of their comfort zones.

## **Proud**

We create a thoughtfully designed learning environment, both indoors and outdoors, that offers valuable opportunities for all children to thrive and feel valued. We celebrate each child's uniqueness and development, fostering **pride** in their achievements. Through parent partnerships and strong staff connections, we effectively communicate and share these successes.

## **Youngsters**

“Every Child deserves the best possible start in life and the support that enables them to fulfil their potential”.  
EYFS Statutory Framework 2021

Working in partnership with the parents/carers of our **youngster's**, at Angel Day Nursery we believe we offer them the support that enables them to fulfil their potential.
